

# ACTION STEPS to STOP FOX

**URGENT! Cable providers are in negotiations with Fox *right now*. Contact your Cable Provider. Tell them: DON'T LET FOX RAISE MY BILL!**

Fox is trying to force cable customers to pay more for TV in order to subsidize Fox's hateful, lying content — the "Fox Fee." *DirectTV said #NoFoxFee* — and your provider can too. CALL and tell them to stand up to Fox's bullying. Say #NoFoxFee!

Xfinity/Comcast: 1-800-934-6489 | Spectrum/Charter 1-833-267-6094  
COX: 1-800-234-3993

Fox uses aggressive and deceptive tactics to increase their rates, including threatening to cut access to sporting events and other programming unless customers like you pay an increased "Fox Fee." Every time they get away with it, bills increase and consumers lose. Even if you never watch Fox, your bill will go up if Fox isn't stopped.

**The QR code has more ways to contact your cable company!**

■ **JOIN US! TRUTH TUESDAYS** at Fox HQ NYC every Tue., 12-1 pm

■ **PROTEST at your LOCAL FOX AFFILIATE!**

Get a sharpie and some cardboard, or DOWNLOAD our POSTERS and print them at Kinkos, Staples, or your local print shop. If there's foot traffic, download our flyer to hand out. Send us photos of your protest. We'll tweet them out.

■ **CHANGE THE CHANNEL:** If Fox is on in *any* public space— a café, the gym, a doctor's office—ASK: **CHANGE THE CHANNEL.** Standing by when Fox plays in public normalizes its poison. A simple action, and it *works*. See the QR for helpful tips.

■ **CONTACT FOX SPONSORS** – Every month, **WhoAdvertisesOn** lists three top Fox advertisers with one-click contact by email, Facebook or Instagram. Sample text provided, or write your own.

■ **CheckMyAds.org** – Ad exchanges that place internet ads have standards to protect their advertisers from funding violence. Fox promotes the violent Jan. 6 insurrection, so we tell ad exchanges to **block their ads from FoxNews.com. It works!**

■ **GET FOX OFF OUR MILITARY BASES!** Fox radicalizes our troops on our tax dollars. Tweet @SecDef, @SASCDems, @DeptOfDefense, @POTUS, @TheJointStaff, and **write Letters to the Editor.** TELL THE PENTAGON: PULL THE PLUG ON FOX!
