

The image features a dark blue background. At the top, a thick layer of red liquid, resembling blood, is dripping down in numerous streams. In the center, the text "FOX has blood on its hands" is written in a large, bold, white sans-serif font. Behind the text, there are two large, red handprints, one on the left and one on the right, suggesting the source of the blood.

**FOX has
blood on
its hands**
